Answers to these questions are required:

1. Why do you want to volunteer with the AHP HIV Counseling and Testing program?
2. Most of our staff and clients identify as gay, lesbian, bisexual, transgender, or queer. How would that be for you? What is your experience working with these groups?
3. As part of our work, we discuss sexual behavior in detail. How would it be for you to have these conversations (e.g., talking about anal sex with a gay man)?
4. Tell us about your work history and how the skills you have developed can translate into HIV test counseling and/or phlebotomy?
5. What if you disagreed with something that your supervisor wanted you do regarding a client or fellow volunteer? How would you deal with that?
